HULL HISTORIC PLAQUE PROGRAM

The Hull Historical Commission is offering homeowners a way to acquire an HISTORIC HOUSE PLAQUE for 75yo documented historic homes without imposing restrictions on these properties.

To obtain a plaque for a home, property owners (applicants) are asked to attach the building's proof of age with the application.

The price for a historic plaque is $90. This includes the review of the documentation for eligibility by the Hull Historic Commission, the cost of the plaque with hardware, the shipping and handling.

Applications are available at Town Hall and the Public Library.
Applicants who complete the request by December 8, can receive their plaque at their house by the holidays.
