

FYI

Requirements for Private Swimming Pools

Building and Board of Health

Any structure that contains water over 24 inches (610mm) in depth requires a Building and Board of Health permit as well as Conservation Commission approval.

Applications require;

- 1. A plot plan showing location of pool and any other buildings on lot, also showing how it will be fenced.**
- 2. Pool wall must be at least 6ft from rear and side lot lines, and can't be located in front yard setback area (25 FT).**
- 3. Approval must be granted from the Board of Health and the Conservation Commission.**
- 4. Electrical Permit must be applied for at the same time as the pool application is submitted.**
- 5. Complete plans of pool construction and filtering system must be submitted.**
- 6. All pools must have a fence and gate at least 6FT high (Town of Hull bylaw) surrounding the property or pool area. All gates must be self latching**

ALL Requirements are listed on the Board of Health and Building Department Application.
