

HYFA Carnival Carnival with Fireworks

For more than twenty years, Hull Youth Football Association (HYFA) has hosted an annual carnival here in Hull. We are happy to announce that this year's fireworks display will coincide with Hull's 375th Anniversary Celebration! The fireworks are sponsored by Rockwell Amusements, HYFA and the 375th Anniversary committee. Due to this additional sponsorship from the 375th Anniversary committee, this year's fireworks display will be the most extravagant yet!

This year's carnival will be open from Wednesday, June 19, 2019, through Sunday, June 23, 2019. The fireworks display has been scheduled for Saturday, June 22nd (with a rain date of the 23rd). Hours of operation are 6:00 pm-11:00 pm for all five nights. (weather permitting)

For those not wanting to watch the fireworks at the carnival, the 375th Committee is in the finalizing stages of providing an opportunity to watch the firework display at the Bernie King Pavilion (we are hoping it will be completed by then) where we will have the Satuit Band playing for listening, dancing, and playing to the fireworks.

We look forward to another great carnival and fireworks display.
