

TOWN OF HULL 375TH CELEBRATION

Time Capsule

The Town of Hull will celebrate the 375th anniversary of our incorporation with a **Parade and Field Day scheduled for Saturday, August 17th (rain date August 18th)**. There will be many ways to celebrate this milestone throughout 2019 as well with t-Shirts, flags, and many events such as sports games, food and more!! One other highlight will be a fall Gala in September!! Since there is a cost to everything, one exciting opportunity to help us celebrate is to mark our path along the journey of Hullonians with a TIME CAPSULE!

Through the efforts of our Department of Public Works, Waste Water Treatment Plant and Town Manager, we have a great plan to create a time capsule at Town Hall this summer. We are offering individuals and groups a way to make their own mark by adding mementos and remembrances to the time capsule with appropriate items for our future citizens to open and look back on 100 years from this year!

Items will be placed in a watertight vessel like the picture shown above. You will be able to place your objects, letters, cards, pictures or whatever you can fit into the 18 inch by 3 inch tube. These tubes will be available for purchase this summer at various locations for an affordable cost. Prices are still to be determined. Some tubes will be made available at a discount or gratis for non-profits that need assistance with cost. We wish to have a wide range of groups and citizens participate in this event and add to the STORY OF HULL and its great citizenry.

Please be part of Hull's History Today and in the Future!! Think about all the "stuff" that existed 100 years ago that does not today! Think about the fun our future folks will have finding an 8-track cassette of the Jackson 5, an actual Floppy disk, a movie ticket from Bayside Cinema! Bring your Awesome Hull Spirit to your Great-Great-Great Grandchildren in 2119 and show them what a **Hull of a time** we had!
