Hull representatives

Amy May amyesthermay@gmail.com

- Committee member and Hull co-chair since 2011
- Has attended WREP meetings since 2010
- Conservation biologist
- Program Director for Camp Fire USA's Eastern Massachusetts Council.
- Moved here from Vermont where she worked for a multi-community park.

Scott Plympton scottplympton@verizon.net

- Active with WREP Committee since the Estuary Vision Workshop May 2003.
- Special focus on promotion of the many recreational opportunities that the park may provide and on access and enjoyment of this wonderful treasure for all.
- Developed "A Paddling Guide to the Weir River Estuary" brochure funded by ACEC grant, including mapping potential access sites, to advance the concept of using the water as the path to the estuary and to keep the vision of the Weir River as "wild forever".
- Mentor for Eagle Scout project to build an informational kiosk and a walking trail that will highlight the Gateway East property at the Estuary Center building.
- Through his business, Nantasket Kayaks, provides an intimate understanding of the day-to-day workings of the estuary and delivers a service to our community through tourism and by getting more people to become aware of the beautiful resource that lies within our back yard.
- President, Hull Land Conservation Trust

Judeth Van Hamm one@hullportside.net

- WREP chair since committee was formed in 2001, Hull co-chair 2005-2011
- Helped obtain ACEC grant for land inventory and protection plan and access brochure.
- Led effort which resulted in DCR grant to protect three key Estuary parcels in Hull

- In 2011 working to create South Shore Mobility Inc., so that Personal Rapid Transit can offer new way to travel along George Washington Boulevard, so it can truly become a park way
- Chair, Sustainable Transportation Committee 2006-2010
- Assistant Secretary, Hull Land Conservation Trust
- Board member, Weir River Watershed Association

Thank you to past Hull WREP Committee members, including:

David Clinton
