## FOR IMMEDIATE RELEASE

### WEST CORNER BUSINESSES OPEN DURING BRIDGE RECONSTRUCTION

Hull DPW Director Joseph Stigliani reminds all residents the West Corner businesses in Hull, Cohasset and Hingham are **open** during the reconstruction of the West Corner Bridge. Since only the bridge is closed, customers can access the businesses as usual and need not take the detour routes unless they need to go around the bridge.

The detours are scheduled to remain in place until December 12, 2009, after which the bridge will be open to alternating, one-way traffic, regulated by temporary traffic signals. For more information on pending and on-going road construction and utility work in the Town of Hull, please visit the Town's Website at [www.town.hull.ma.us](http://www.town.hull.ma.us) and click on On-going Road Construction under the Department of Public Works.
