"Emotions Coaching" Parent Education Workshop

Presented by Jeanine Fitzgerald of The Better Behavior Bureau

7:00 PM

Emotions dominate the world of children. Children who can regulate their emotions have a greater likelihood of regulating their behavior. This workshop will explore the process of emotional development in children, adult response to children's emotions and activities for supporting self-regulation.

This workshop will be held in the Jacobs Elementary School Library, 180 Harborview Road, Hull at 7:00 PM. Pre-register for this free workshop by calling **(781) 925-4400 x1108**. Childcare is available with advance notice. This workshop is for parents of children ages birth through age six and is jointly sponsored by the Hull Family Network, a Massachusetts Department of Early Education and Care grant, and the Blue Hills CHNA - Caritas Norwood Hospital, Harvard Vanguard Medical Associates, South Shore Hospital, and Weymouth MRI.

All events, unless otherwise noted, are held at the Hull Family Network, 180 Harborview Road, Hull. Funded by the Massachusetts Department of Early Education and Care. All events require pre-registration. Please call **(781) 925-4400 x1108**.
