## Memorandum

**To:** New Employee  
**From:** Debbe Bennett  
**Date:** March 6, 2012  
**Re:** **State Ethics Training**

---

There is a new State Ethics Commission requirement that all public employees must complete online ethics training. Therefore, anyone who will receive a paycheck from us must comply with this requirement.

Please go to the link below and complete the training session on line. There are a total of 25 questions on the quiz. If you do not finish all the questions, you will be able to return, on your next visit, to where you left off.

Once the session has concluded, print off two copies of the State Ethics Commission receipt. Please forward one copy to me as soon as possible and keep one copy for your records.

Here is the link. Please have 'cookies enabled' in your browser preferences to take this test
