The Board of Health has received a limited supply of Zostavax (Shingles Vaccine). This vaccine is available to Hull residents, who are 60 years of age and older. We are requiring a prescription or note from your Primary Care Physician. This vaccine is available on a first come first serve basis and an appointment is necessary.

Please call or e-mail Robin or Joyce at the Board of Health with any questions or to make an appointment. rkilleen@town.hull.ma.us , jsullivan@town.hull.ma.us or 781-925-2224.
