January 20, 2012

Dear Parent/Guardian:

On behalf of the Jacobs Elementary School, I want to welcome you to our school and welcome your child to our kindergarten program starting in September 2012. I know that this will be an exciting and exceptional experience for your child and I look forward to working with you. The Hull Public Schools offer a comprehensive kindergarten program that focuses on academic excellence and meets the high quality standards of the Massachusetts Department of Elementary and Secondary Education and is accredited by the National Association for the Education of Young Children (NAEYC).

Experienced licensed teachers, a new state-of-the-art facility, and enhanced curriculum offerings make our kindergarten program the right choice for Hull families.

Families may choose the half-day program or the fee based full-day program. A sliding fee scale makes the full-day option affordable for families.

Please complete the registration packet and return it to the school office with the stated documentation as soon as possible. The tuition policy and the 2012-2013 Sliding Fee Scale are included in your packet.

In the upcoming months, there will be a variety of opportunities for your child to participate in transition activities, including Pajama Story Hours and the Pizza Play and Learn/Orientation Night. If you have any questions or need any other additional information please feel free to contact me at jpenta@town.hull.ma.us or through the school office at 781-925-4400.

Sincerely,

Jean Penta
