

Dear Parents/Guardians,

For the next 3 weeks, we will be studying the difference between blends and digraphs. Please help your child prepare for the spelling test each Friday by studying the words below. Each week your child will be tested on the 3 trick words and 3 phonetic words from the list below. Rather than choosing the phonetic words now and having the children only study 3 words, I am asking you to help your child study the list of words to help him/her develop his skills spelling *any* word that contains one of these sounds.

Thank you,

Mrs. Jones
