**RE : Environmental Notification Form
Hull Offshore Wind Energy Project
Town of Hull
253 Atlantic Avenue
Hull, MA 02045**

Dear Secretary Bowles :

On behalf of the Town of Hull, Massachusetts, ESS Group, Inc. is pleased to submit this Environmental Notification Form (ENF) for the proposed offshore wind energy project, consisting of up to four wind turbine generators (WTGs) capable of producing up to 15 MW of emission-free, renewable energy. The WTGs will be located within the seaward municipal boundary of the Town of Hull, Massachusetts, approximately 1.35 – 1.75 nautical miles offshore.

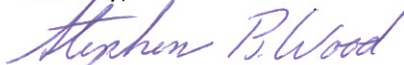

Please notice this ENF in the Environmental Monitor on Monday, January 7, 2008. Based on the MEPA publishing schedule and regulations, public comments will be due on Monday, January 28, 2008. We anticipate the Secretary's Certificate on this filing on Wednesday, February 6, 2008.

By copy of this letter, recipients of the ENF are advised that written comments may be filed during the public comment period to:

Secretary Ian A. Bowles
Attn: MEPA Office
Executive Office of Energy and Environmental Affairs
100 Cambridge Street, Suite 900
Boston, MA 02114

Copies of the ENF may be obtained from Philip Lemnios, Hull Town Manager, at (781) 925-2000 or by email: Plemnios@town.hull.ma.us. Thank you for your consideration of this filing.

Sincerely,

Stephen B. Wood
Vice President
ESS Group, Inc.
