

Hull School Committee

The Hull Public Schools will facilitate the development of students into independent thinkers and lifelong learners who are continually increasing their achievement, self-esteem and self-confidence in order to become socially responsible individuals.

Hull School Committee Goals 2010-2012

- Curriculum
- Fiscal Responsibility
- Communication
- Human Resources

Curriculum

- To implement a high standards curriculum, linked to the Massachusetts Common Core, vertically and horizontally aligned across all grade and content areas, and supported by investments in professional development that ensure effective instruction programs.
- Continue to capitalize on small district size.
- Ensure curriculum continuity between the three schools and grade levels within each school.

Curriculum

- Improve MCAS, PSAT, SAT and AP test scores across all grade levels.
- Continue setting high expectations for English, Math and Science literacy as well as develop social responsibility.
- Continue with quarterly curriculum presentations. Presentations will include information from each principal regarding initiatives undertaken to assess, evaluate and ensure the progress of all students.
- Quarterly updates of “walk-through” program that district is implementing this year.
- Continuously look at expanding programs that do not have budgetary impact.

Fiscal Responsibility

- School Committee members will continue to participate in town-wide governmental groups including Financial Planning Committee and other ad hoc committees.
- Work with school administration to develop financial status reports to be distributed to all committee members.
- Enhance prior budget presentations and continue to explore new ways to present information.

Fiscal Responsibility

- Continue utilization of website regarding budget process.

Communication

- Continue to promote the vision of the 21st Century Schools to the public.
- School Committee will work to encourage more parents to attend School Committee Meetings, parental conferences and other school events.
- Explore social networking opportunities to make information more readily available.
- Continue to promote excellence that is occurring in the schools.
- School Committee members will attend School Council meetings, PTO meetings and other events seeking to maintain open lines of communication with parents in the community. School Committee will use such forums to help inform parents and community members of the district's budget and annual goals.

Human Resources

- Ensure Leadership Team has appropriate professional development opportunities.
- Provide similar opportunities to building staff.
- Periodic updates at School Committee Meetings from “New Evaluation Tool” Committee.
- Negotiate contract settlements where applicable.
