

Table 1. Straits Pond number of midge larvae, 2003

Due to weather constraints, no sampling done on Transects 1,3,5,7,9. No sampling done in May.

Sample stations are located along 10 transects within three discrete pond zones; (1) nearshore, (2) offshore, and (3) deepwater areas. A

Transect	Sample Location	Number in Sample (0.02m2) Pre- 4/13/03	Number in Sample (0.02m2) Post- 4/19/03	Number in Sample (0.02m2) 6/21/03	Number in Sample (0.02m2) 7/19/03	Number in Sample (0.02m2) 8/23/03	Number in Sample (0.02m2) 9/27/03
