

The Hull Public Library Foundation (HPLF) is a non-profit organization created for the purpose of raising funds toward the building of a new public library for the town of Hull. We, the members of the HPLF Board, have been charged with the task of raising \$1,000,000 over the next three years to help augment the more than 6 million dollar cost of the entire project.

Our Board membership (all volunteers) is small (12), with a challenging task ahead; however, with your help and the help of volunteers like you, we feel certain that raising these funds is an obtainable goal. There are many areas where help is needed and we invite you to join us in this effort to help provide our town with a library for the 21st Century. If you can volunteer your time and talent for the short or the long-term, please indicate below the area (s) of interest where you would like to work and return this form to: Kelly Beazley, Hull Public Library Foundation, Nine Main Street, Hull, MA 02045:
