

Memorial Tree Planting Program

The Town of Hull has established a memorial Tree Planting Program. Trees are available for purchase by local residents and/or businesses.

The trees will be planted along Nantasket Avenue, beginning at the Veterans' Memorial and will continue towards XYZ Street. Included in the purchase will be a bronze plaque. The individual or business that purchases the tree will be able to dedicate the tree to the memory of a loved one, to commemorate a birth, graduation, anniversary, or for similar purposes.

For example:

“This tree was planted on September 1, 2008 and is dedicated in loving memory of John Smith, by his family;” or

“This tree was planted on September 1, 2008 and is a gift to the Town of Hull by ABC, Inc.”

The trees will be planted and maintained by the Town of Hull. However, the town welcomes the assistance of the resident or business that purchases each individual tree to help with the tree's maintenance and care.

The cost of each tree is \$595, which includes the purchase price of the tree, planting and an engraved bronze plaque. In addition, a small portion of the money will be reserved for the care and maintenance of all of the trees purchased through the program.

To order a tree, please contact Janet Bennett at 781-925-2000.

Please make checks payable to Town of Hull.
