

## **Pump Station Work Notification**

Beginning on or about Monday, July 10, 2017

The Hull Sewer Department will be performing repair work at the Pump Station on the Landfill Access Road commencing on or about July 10, 2017. This repair work is expected to take approximately 1 week to complete. Most of the repair work will take place between 6:00am – 6:00pm, however some work may extend for 24 hours at the start of work. Weather delays may extend the work into the following week.

- This work should not affect your sewer service.
- Noise associated with the repair will be minimized as much as possible.
- There will be access limitations and parking restrictions along the Landfill Access Road during the work period.

We apologize for any inconvenience. Should you have any questions please call the Wastewater Treatment Plant at 781-925-1207.
