EARLY VOTING: For the second time in Massachusetts, early voting is once again available to all registered voters to be able to vote before Election Day in Massachusetts this fall. Early voting will begin on October 22nd and continue through November 2nd, 2018. Prior to the enactment of this new law, the only way a registered voter was allowed to vote prior to Election Day was through absentee voting. Although absentee voting will still be available for registered voters who qualify, only those who will be absent from Hull on Election Day, or have a disability that prevents them from going to the polls, or have a religious belief preventing the same, are legally allowed to vote by absentee ballot.

Absentee ballot Application (qualified registered voters) may be found at:

Unlike absentee voting, every registered voter qualifies for early voting. Registered voters do not need an excuse or reason to vote early.
