TOWN of HULL MODERATOR'S MESSAGE

Welcome to the 2010 Hull Town Meeting. Challenging, economic times have continued this past year. Local issues range from funding for the library and schools to code enforcement procedure. Much of our Meeting this year will consist of house keeping matters, but your participation is vital. Town Meeting is the legislature of the Town. Decisions are made which affect each of us. Town policy and financial decisions are made by us at Town Meeting which affects everyone in Town. Town Meeting is the purest form of democracy. Each voter can stand up and speak his mind on any particular issue. The action of allowing you to speak on a given issue, and attempt to persuade your fellow voters is at the core of our democratic values. As we debate the articles at Town Meeting, remember that vigorous debate need not be disrespectful. Not everyone is going to agree with you and that is OK. Different opinions make Town Meeting interesting and useful. Remember to please be considerate and get to the point in your comments. As usual, we have quite a bit of ground to cover. Clarity, brevity and respect for others are held in high regard at Town Meeting. Thank you in advance for your participation and cooperation.

Some frequently used Town Meeting procedural rules are set out below:

Quorum: In 1987 we abolished quorum requirements. Therefore, town meetings begin at the time designated by the Selectmen in the warrant (usually 7:30 p.m.).

Order of Articles: In 1980, we enacted a by-law providing, that the order of considering articles, except for the general budget articles, shall be determined by lottery. The moderator may declare certain articles, due to legal requirements, must be considered before or after other articles are considered.

Motions: After an article has been chosen by lottery, the moderator reads the motion pertaining to that article. The motion must be within the scope of the article as printed in the warrant and must be seconded. After a motion has been made, substitute motions and amendments may be offered, but no more than two (2) substitute motions or amendments may be before the meeting at any given time. Any substitute motion or amendment must also be within the scope of the article.

Discussion of articles: Persons wishing to speak should stand and remain standing until recognized by the moderator. They should begin their remarks by stating their name and address. We usually vote to limit first time comments on an article to ten (10) minutes. We have a bylaw limiting second time comments to five (5) minutes. Remember, often the most effective comments are succinct and to the point.

Point of order: May be used to raise a procedural question only. A point of order may be made at any time, requires no second and is not debatable.

Call for the question is a motion to terminate debate. It requires a two-thirds vote and is not debatable.

Voting by secret ballot shall occur when the Advisory Board so recommends in writing or when 15 voters so request, or when required by statute or town by-law.

Questioning the vote: When seven (7) voters question the moderator's calling of voice vote, a standing vote will be taken.

Motion to reconsider must be made on the same night that vote to be reconsidered was taken; a two-thirds vote is required; a vote once reconsidered cannot be further reconsidered.

Resolutions may be offered without prior notice; are non-binding and not debatable.

Other procedural rules governing our meetings are spelled out in the book "Town Meeting Time", Little Brown, 1962, 2nd Ed. 1984

ADVISORY BOARD MESSAGE

Under our current form of Government, the Town Manager, with the guidance of the Board of Selectmen, prepares the Town Budget and presents it to the Board of Selectmen and the Advisory Board for their review. Through discussions with the Town Manager and Department Heads the Advisory Board reviews the budgets and makes suggestions for changes. This process usually concludes with agreement between the Advisory Board and the Town Manager in terms of presenting the Budget to Town Meeting. The Advisory Board considers all articles for the purpose of making recommendations with explanatory statements. While considering each article many questions are considered such as: Is it necessary? Can the Town afford it? Is it in the Town's best interest? Is it fair to all? Does it affect the balance of power? Is it within legal and allowable guidelines?

The following section includes a facsimile of the Town Warrant. It is called a facsimile because the actual warrant does not include the commentary and recommendations of the Advisory Board. Some confusion has been caused in the past when motions are read at town meeting and are differently worded than what you see here. Motions may be worded differently so long as they are worded within the scope of the printed article. Some people think of the printed warrant as an agenda of the town meeting. The legal warrant is printed, signed and posted by our Board of Selectmen.

Comments are in italicized print indented under the ARTICLES. The RECOMMENDATION precedes the commentary of the Advisory Board. Typical recommendations are as follows:

FAVORABLE ACTION - The Advisory Board is recommending a favorable vote on the article.

UNFAVORABLE ACTION - The Advisory Board is recommending an unfavorable vote on the article.

NO RECOMMENDATION - The Advisory Board does not wish to make a recommendation or there is insufficient information to support a recommendation.

RECOMMENDATION AT TOWN MEETING - The Advisory Board does not wish to make a recommendation prior to reviewing additional information or waiting for another committee to hold a public hearing.

REFERRAL FOR FURTHER STUDY – The Advisory Board believes the article may have some merit and should be revisited, but there is insufficient information at this time to make an informed decision.

NO ACTION - A no action motion or recommendation suggests that Town Meeting set aside and prevent any further action on this article for the meeting.

Please Note: This year the town will be presented a ballot question to override the Proposition $2\frac{1}{2}$ limit on tax increases. This override question has a specific purpose to fund the 21^{st} Century School Plan.

There is no Warrant Article which presents the Override question. It is our understanding that the Town will be discussing and voting on a budget option which includes \$2.29 million of funding from an Override, an Override can only be approved by voters at the Annual Election on May 17. A balanced budget must be approved at Town Meeting. Should the Override ballot question pass, allocation of those funds must be consistent with the language of the override question.

To the Citizens of Hull:

Hull, like most towns in Massachusetts, continues to face some difficult decisions regarding the budget that supports all our town's functions.

This Warrant contains a Projected Revenue and Expenditure Summary for the year ending June 30, 2011. It reflects the challenges that we are facing in the upcoming fiscal year. After coming off a decreased funded budget in the current fiscal year, we are recommending a level service budget. This summary reflects a balanced budget that was achieved by the diligent and cooperative work of the Town Manager and Department Heads.

Moving toward 2012, it is obvious that we cannot continue to provide the same services with less money year after year. It is evident that the Town will not have sufficient future revenues to meet its financial obligations. Although new growth and the increase in the annual tax levy under Proposition 2½ will increase the Town's revenues, it will not be adequate to fund the Town's operating expenses, capital needs and the annual debt service payments. Therefore, we either have to find new revenue sources or further cut existing services.

The state has failed to restore the state aid cuts that were made back in 2002. In FY11, state aid is projected to decrease 4.8% or \$287,000. In the upcoming year, you will need to think about the quality of life you want to enjoy in our Town. The Advisory Board counsels the Citizens of Hull that we will have to continue to make difficult financial decisions in order to maintain services.

Thank you, in advance, for your involvement and participation at this important time in Hull's history.

Sincerely,

J. Canavan, Chair C. Tyson, Vice Chair D. Clinton, Clerk

ARTICLE 9. ARTICLE 10. To see if the Town will raise and appropriate or appropriate and transfer from available funds a sum of money to defray the expenses of Fiscal Year 2011 for:

or take any other action relative thereto. (Inserted by Board of Selectmen)

Recommendation: Favorable Action on Article 10. This article, as recommended, is contained in the budget exhibit in the back pages of this warrant. The Town Manager prepares the budget with input from town departments heads, various boards and committees. The budget is the result of the cooperative efforts between these groups, all of whom participate in the budget process. This year the Board of Selectmen have authorized a Proposition 2 ½ Override on the May ballot. Passage of this article does not signify a vote in favor or opposed to the ballot question.

Town meeting will be asked to vote on Motion A which is reflected in the budget in the back of this booklet.

Town meeting will also be asked to vote on Motion B which would only take effect if the Proposition 2 $\frac{1}{2}$ Override passes in the May ballot. Motion B would add $\frac{1}{940}$, 192 to the School Department budget and $\frac{350}{000}$ to the Health Insurance Budget.

ARTICLE 11. (Inserted by Board of Selectmen)

Recommendation: Favorable Action on Article 11. This article reaffirms that operating income from the Light Plant sales and activities will be used to meet the expenses of the Light Plant. In

addition, it stipulates the Town Manager will see that the funds are expended as specified by the laws of the Commonwealth. (Unanimous)

ARTICLE 12. To see if the Town will vote to authorize revolving funds for certain Town Departments under Massachusetts General Laws Chapter 44, §53E1/2 for the fiscal year beginning July 1, 2010, as follows:.

Revolving Fund	Authorized to Spend Fund	Revenue Source Use of Fund Spending Limit FY11 Spending Limit Fund Ba		Source Use of Fund Spending Limit

Total Spending	3	ı		\$327,500	

or take any other action relative thereto. (Inserted by the Town Manager)

Recommendation: Favorable Action on Article 12. This is an annual housekeeping article that is required to re-establish revolving funds for various uses. The revolving funds ensure that the fees these departments generate remain with these departments. This year three new revolving funds have been added for the Town's consideration (Unanimous)

ARTICLE 13. To see if the Town will vote to charge for each written demand issued by the collector a fee of \$15 to be added to and collected as part of the tax, as authorized by MGL Chapter 60, section 15, effective as of July 1, 2010, or take any other action relative thereto. (Inserted at the request of the Treasurer/Collector)

Recommendation: Favorable Action on Article 13. This article will give the Treasurer/Collector the ability to charge a fee for written demand notices. The fees collected will enable the Town to recoup the costs associated with the administrative costs to make written demand and to collect on those demands, while creating an incentive for persons to pay bills due to the Town on time. (Unanimous)

ARTICLE 14. To see if the Town will vote to authorize the Hull Contributory Retirement Board to act on the provisions of the "Act Providing Municipal Pension Funding Schedule Relief", or take any other action relative thereto. (Inserted at the request the Contributory Retirement Board)

Recommendation: Favorable Action on Article 14. This article will authorize/permit the Retirement Board to alter the funding schedule in a more favorable manner, should the state allow. The Retirement Board would be permitted to extend the current 28 year schedule to 40 years. This vote provides the Retirement Board the authority should it be advantageous to the Town. (Unanimous)

ARTICLE 15 To see if the Town will amend Chapter 113 of the Code/Bylaws of the Town, dealing with Housing Standards, as follows:

- A. Amend Section 113-1, Definitions, by adding under 'Record Owner" the following: "Record owner shall also include an agent or property manager of the owner of record, a mortgagee or lien holder or a person or entity acting in control and/or management of the property. The Director of Public Health may require such evidence of authorization from the owner as he or she deems necessary, which evidence shall be provided within seven (7) days of said request."
- B. Amend Section 113-2, Occupancy Permits, by adding under part B the following: "A record owner shall be required to obtain a renewal of the Certificate of Occupancy at least annually."
- C. Amend Section 113-2, Occupancy Permits, by striking the provisions of sub-part E.
- D. Amend Section 113-5, Violations and Penalties, by striking the phrase "twenty dollars (\$20) and inserting the phrase "the maximum as authorized by law for violations of municipal bylaws".

E. Amend Chapter 113 by adding a new section as follows: "Section 113-6, Administration- Except for those provisions of this bylaw requiring a hearing first by the Board of Health, the provisions of this bylaw may be enforced by the Public Health Director or his or her designees. Nothing contained herein shall be construed to interfere with any right to a hearing before the Board of Health."

or take any other action relative thereto. (Inserted at the request of the Public Health Director)

Recommendation: Favorable Action on Article 15. This article updates the Town's Housing Standards Bylaw, which relates essentially to rental property and seasonal property converted to year-round use by clarifying the definition of "record owner", requiring Certificates of Occupancy annually; increasing the fines for violations, granting better enforcement authority in the Public Health Director and making it applicable to all residential rental property. It is part of the Town's efforts to update and improve on its code enforcement tools. Unfortunately, some rental property is not properly maintained and these changes will give the Board of Health enhanced tools to deal with problem properties. (Unanimous)

ARTICLE 16. To see if the Town will amend the zoning bylaw by striking out in Section 52, table 55, 8th par. the phrase:

TABLE 55. Parking requirements.

Building Use

. . .

"Stores, offices and other lawful uses except hotels, motels, residences, boarding houses, and rooming houses which are located between Rockland House Road on the south and Wharf Avenue on the north.

Parking spaces required

None, providing that the legal distance between the MDC public parking lot and the main pedestrian entrance of the store, office or other lawful use does not exceed 500 feet."

And inserting in its place the phrase:

TABLE 55. Parking requirements.

Building Use

"Stores, offices and other lawful uses except

Parking spaces required

None, providing that the legal distance

hotels, motels, residences, boarding houses, and rooming houses which are located between Rockland House Road on the south and [to be determined by Town Meeting when voting on this article] on the north.

between the MDC public parking lot and the main pedestrian entrance of the store, office or other lawful use does not exceed 500 feet."

So that businesses located north of Wharf Avenue to the end point determined by Town Meeting may satisfy the parking requirements under the Zoning Bylaw by making use of the DCR parking lots as business located between Rockland House Road and Wharf Avenue can at present under the Zoning Bylaw, or take any other action relative thereto. (Inserted by the Board of Selectmen)

Recommendation: Recommendation at Town Meeting on Article 16. At the time of this printing, the Planning Board had not yet met on this issue. Therefore, we will make recommendation at Town Meeting. (Unanimous)

ARTICLE 17. To see if the Town will accept the provisions of G.L. c. 32B, section 18, regarding retirees participating on medicare extension plans, or take any other action relative thereto. (Inserted at the request of Town Manager)

Recommendation: Favorable Action on Article 17. This is an affirmation of the Town's long standing practice that requires retired Town employees to participate in Medicare extension plans. This does not affect any current or future retiree's health care options. (Unanimous)

ARTICLE 18. To see if the Town will appropriate a sum of money to pay costs of designing, rehabilitating, repairing and constructing sewers for the Nantasket Avenue interceptor, the Atlantic Avenue interceptor and sections of the sewer line from the Pemberton and Marginal Road pump stations, and other areas of the Town; to determine whether this appropriation shall be raised by borrowing or otherwise; or take any other action relative thereto. (Inserted at the request of the Permanent Sewer Commission)

Recommendation: Favorable Action on Article 18. This article will allow the Town to provide funding necessary to rehabilitate portions of our existing sanitary sewer closed pipe system. The estimated cost is \$2.1 million. The Permanent Sewer Commission (PSC) has indicated that funds will be raised through bonding and this work will not cause an increase to our sewer bills. The PSC is being proactive in addressing these deteriorating pipes. Should this work not proceed, the Town will pay significantly more in emergency and piece-meal like repairs in the future. (Unanimous)

	ARTICLE 19. To see	if the Town will amend the Cod	de/bylaws of the Town as follows:
A.	Amend by ac	lding a new section, to be num	bered by the Town Clerk, as follows:

A failure to arrange for an inspection or re-inspection, or failure to pay the fee for same, shall be subject to a fine of \$100.00. Each day of non-compliance shall constitute a separate offense. These provisions may also be enforced under the Town's non-criminal disposition bylaw.

Recommendation: Favorable Action on Article 20. This article creates a local bylaw that provides enforcement mechanisms for re-inspection where no other inspections fees apply. (Unanimous)

ARTICLE 21. To see if the Town will amend the Code/bylaws of the Town as follows:

A. Amend _____ by adding a new section, to be numbered by the Town Clerk, as follows:

Recommendation: Recommendation at Town Meeting on Article 21. At the time of this printing, the Advisory Board was collecting information relative to this article. (Unanimous)

ARTICLE 22. To see if the Town will petition the General Court to enact special legislation as follows:

An Act relative to the certification of Hull Public Library

SECTION 1. Notwithstanding any general or special law, rule, regulation or policy to the contrary, (1) the Town of Hull Public Library shall be deemed to be certified as of July 1, 2010 as meeting its minimum appropriation requirement and all other criteria for certification under chapter 78 of the General Laws and any applicable laws, rules, regulations or policies; (2) the Massachusetts Board of Library Commissioners shall so certify by July 1, 2010 or at its first meeting on or after July 1, 2010; (3) the Massachusetts Board of Library Commissioners shall further certify by July 1, 2010 or at its first meeting on or after July 1, 2010 said Library as being eligible for the state aid to public libraries program for fiscal year 2011 under section 19A of chapter 78 of the General Laws and any applicable laws, rules, regulations or policies; and (4) said Library and all Hull Library card-holders shall receive and be entitled to all other benefits and attributes of said certifications.

SECTION 2. This act shall take effect upon its passage.

or take any other action relative thereto. (Inserted at the request of the Board of Library Commissioners)

Recommendation: Favorable Action on Article 22. This article is a "home rule" petition that will expedite the re-certification of the Library. (Unanimous)

ARTICLE 23. To see if the Town of Hull will sell the property(ies) identified as Map/.Lot Number 15-150 consisting of approximately 8,110 square feet and Map/Lot Number 15-141 consisting of approximately 12,205 square feet that are located at N Street and Nantasket Avenue and to deposit the proceeds into the Town's Stabilization Fund once the proceeds have been verified by the Massachusetts Department of Revenue and become available for town use, or to take any other action relative thereto. WHEREAS the harmful effects of environmental tobacco smoke should not interfere with the enjoyment of Hull's beaches by its residents, especially its children.

WHEREAS, cigarette butts comprise a large percentage of trash found on beaches.

THEREFORE, we request that the Town of Hull require all town-owned beaches be smoke-free and prohibit smoking on its beaches of any cigar, cigarette, pipe or other tobacco product designed to be combusted and inhaled. (Inserted on petition of Annie Greenman and others)

Recommendation: Referral for Further Study on Article 24. It is recommended this Article be referred for further study to the Beach Management Committee and Board of Health for comment at the next Annual Town Meeting.
