**Town Manager Update : No update**

**School budget presentation by Judy Kuehn and Diane Saniuk with additional comments from Brian Mullen of the Hull Teachers Assoc.**

**Budget highlights:**

1.
  - a) Curriculum assessment using Chalk, an assessment program that aligns with state standards
  - b) Keeping as many Special Ed students in-house as possible. Right now 28 are in-house and 17 are out of district
  - c) There will be 2 curriculum leaders at the high school specializing in math, history and science
  - d) Chromebooks will now be given to 3d graders
  - e) Increase early intervention awareness in pre K by going to a full day schedule
2. Remedy learning losses due to Covid:
  - a) Provide extra sessions in 6-8 in Social Studies.
  - b) Use substitute teachers to bolster learning losses
  - c) A scholarship program will be used to better reach homebound kids
  - d) Natures Classroom will return this spring
  - e) RMK (Raising Multicultural Kids) will be implemented by using diverse college students to present relevant issues to students in grades K-5
3. Esser ( Elementary Secondary School Emergency Relief) is a program that provides grants for the many ways of recovering learning losses due to Covid
  - a) Sept. 2022 \$120,000; 2023 \$300,000 (est.) ; 2024 \$900,000

b) The program may be extended past 2024

4. The School Committee may have a decision on school consolidation by May

Presentation on CPC by Tammy Best:

Ms. Best presented a general update assuring the AB that bonding efforts are always ongoing in order to mitigate costs to the town , that Ft. Revere restoration presents few avenues for CPC funding and that the CPC lifetime is always a factor when considering how much bonding debt should be taken on for any project

7	This article funds the state required solvency for retirement funds. All disbursements must be funded by 2034. This is a bond article which anticipates the 2034 need and allows the town to reach that goal with one bond instead of having to allocate funds every year.
