Police Department Budget

Chief Dunn and Dep Chief Reilly presented the Departmental Budget for FY25.

A notable change to the departmental line budget was a \$10K reduction to stipends due to contract negotiation buy-backs.

The department continues the use of Community Safety Officers (CSOs) based State Law changes requiring sworn Officers. CSOs allow the Town to have a system for Parking enforcement and traffic control outside of a Sworn officers duty as additional Resources.

The Chief has begun succession planning as he is approaching mandatory Retirement age in about 5 years.

The department handles 15-20K calls for service each year. All Fire and Police calls. Not all of which are criminal. Mental health calls are on the rise while Opioid Calls are lessening. Our officers are trained for this increase in new Call types.

There was a question about retention. Chief Dunn explained that our retention is good. Those changing are mostly due to retirement. We have not had an officer move to another agency for 3 or 4 years.

Chief also delivered the Department Budget for Animal Control department.
