

Activities of the Board of Library Trustees

The Board of Library meets on monthly basis to get reports from the Library Director about the activities in the public library.

The Hull Public Library is open forty two hours a week over a six day period including two evenings and Saturdays. The Library's long term goal is to add a third evening during but needs additional staff hours to accomplish this.

The Library offers monthly lectures in conjunction with two other agencies at the Nantasket Beach Resort Hotel, has a monthly book discussion group and has a weekly seasonal pre school storytime.

Upcoming events include books in Bloom which will be held on the first weekend in May.
