

Hull War Memorial Commission
Town Hall
253 Atlantic Avenue
Hull, MA 02045

Goals: War Memorial Commission Chairman Jerry McLaughlin and members continually strive to preserve, maintain and honor the remembrance of all Hull Veterans at the town's War Memorial.

Current Initiatives: Improved outreach to the Veteran Community to insure that all eligible Hull Veterans are honored at the War Memorial; collection of names is ongoing. The recent walkway upgrade with handicapped access resulted from a state and town grant partnership. A dedication of new plaques is planned in 2017.

General Activity: Working closely with the Town of Hull's Veterans Services Office, the Hull War Memorial Commission is always collecting names of Hull Veterans for placement on the wall.
