June 22, 2017

Board of Selectmen:

During the last 2 meeting the following have been addressed: paving of the parking spaces and back drive, trimming of the trees in the back and the driveway, cleaning of the gutters, and sealing of the back ramp. Also the air conditioners have to be cleaned.

I am trying to see if the Fire Station is going to run a CPR course for us to take.

Sincerely,

*Brian McCarthy*

Brian McCarthy  
Chairman of the COA Board
