1/10/2019**

The mission of the Hull Historical Commission is to advocate for historic preservation in our community.

The HHC currently has 4 members with 3 vacancies

**Dennis Riley
Fulvia Quiici Matteucci
Don Ritz
Florence Lathrop**

The Historical Commission continues to work with the Fort Revere Park and Preservation Society to rehabilitate Fort Revere and the iconic water tower. The Community Preservation Committee has approved the HHC application for \$100,000 to rehabilitate the tower. HHC will be applying to the Massachusetts Historical Commission's preservation grant program for a matching grant of \$50,000 as well as looking into other sources of funding. Several qualified and experienced engineering firms believe the tower could be opened to the public for \$100,000.
