The Hull Park and Recreation Commission is starting up its new line up of Night Gym starting January 18th. We unfortunately are off to a late start due to not being able to find staffing. We are going to have Movie night on Fridays at 6. On Saturday we will have a time slot from 11-1 for our senior population then at 1 we will have over 18 basketball until three then we will have open gym for the elementary and middle school children from 3-5. We are hoping we can do more for the seniors in the future. We will adjust /add programs as we move forward.

Respectfully submitted,

Greg Grey, Chairman

Gary Twombly

Ed Whelan Treasurer

Anne Marie Dunn

Michelle Leary Secretary

Joseph Menice, Director of Recreation
