Hello,

I am writing to oppose the application of Kenny Corporation, dba EZ Smoke Shop, to sell alcoholic beverages. This establishment is only around 500 feet from the Village Market which already has a full liquor selling license.

In my opinion, the EZ Smoke Shop would add nothing in service, opportunity or competition which isn't already being met by many others especially such as Village Market and A St Liquors who've made major investments in our community.

Thank you,
Dan Sullivan
