**Board vote on approval of Bankruptcy Plan for Purdue Pharma**

Lampke said that the Town of Hull, along with thousands of other municipalities around the country, is participating in group litigation against the manufacturers and distributors of opioids because of the harm they have caused to many people. One of the lead defendants in the matter is Purdue Pharma. As part of the litigation Purdue has filed for bankruptcy and has proposed a settlement of approximately \$2-3 billion. This settlement has to be approved in Bankruptcy Court as part of the bankruptcy plan. The attorneys who are representing the government entities recommend approval of this settlement and as part of the process the various claimants need to indicate their approval. Lemnios said he had heard State Attorney General Maura Healy say that she believes the Commonwealth will receive approximately \$90 million. Lampke said that it is unclear how much of this will come down to local governments and municipalities but said that the Town of Hull has filed a separate claim from the State in order to have more say in the matter. Lampke said the Board needs to make a Motion to approve the proposed Bankruptcy Plan for Purdue Pharma.

<b>Motion</b>	Reilly	To approve the Bankruptcy Plan proposed by Purdue Pharma
<b>Second</b>	Pursel	
<b>Vote</b>	Unanimous	Reilly – Aye Pursel – Aye Grey – Aye

On a Motion by Reilly, seconded by Pursel, the Board voted unanimously by roll call to adjourn.
