We continue to be here at the Senior Center to provide information and support to our senior population. This may free up calls to emergency services from inquiring seniors. We are reaching out to our clients daily making sure they have what they need. We are trying to provide a listening ear to those alone.

We have a list of recourses ready to help.

We are providing limited grocery shopping during the week if you need to shop. If you need emergency pharmacy pick up or another service please call the number above.

Meals-on-Wheels continue to provide meals-on-wheels to the senior and disabled population. If you need a meal please call the number above.

If you need to get in touch with **South Shore Elder Services** please call 781.848.3910.

If you would like to volunteer for a driver or kitchen help call this number and dial extension 336.
