Camp Program Director

Job Summary:

The Town of Hull Parks and Recreation Committee, seeks an experienced, organized, and professional Day Camp Program Director to run its summer day camp programs. The programs serve 150-200 children ages five (5) to eleven (11) during the seven-week summer season. The Director will be responsible for all operational aspects related to running safe and successful camp programs. He or she will:

- Ensure the safety of all campers and staff.
- Maintain all records including registration, program fees, enrollment, campers, allergies, health and safety, staff, payroll, expenses, budgets, specialists, and other necessary paperwork.
- Look for opportunities to add or reorganize programs to increase enrollment or meet the needs of parents.
- Be responsible for ongoing staff training throughout the summer to ensure counselors are able to: oversee their schedules, plan programming, develop activities, plan alternate activities as needed, supervise and engage their campers, present a interact and communicate with parents in a professional manner.
- Provide leadership to counselors.
- Coordinate with P&R Committee to address any safety issues, programming issues, or conflicts with spaces.
- Send regular communications to parents, respond to all inquiries and make sure that the needs of parents are met.
- Ensure the continuous safety of all areas used by the camp.
- Ensure supplies are organized and in good repair throughout the summer.
- Order supplies, organize receipts, ensure invoices and payroll are sent to the controller.

The ideal candidate will possess the following qualifications:

- Over age 21
- Bachelor's degree required, an advanced degree in education or related field preferred.
- Prior administrative/leadership role in a camp or other youth program programs, 3+ years.
- Exceptional verbal and written communication skills.
- Excellent organizational skills.

- Flexible and patient, with strong initiative and drive.
- Customer service-oriented problem solver.
- Detail-oriented with the ability to manage multiple projects and priorities.
- This position is a part-time position. The Director must be at the camp daily to supervise during the seven-week summer season.
