HULL GARDEN CLUB

The Hull Garden Club, where flowers bloom virtually all year round. From early spring to the holiday season, you will always see the tireless work of the HGC working their talents to make our town beautiful and inviting.

There are so many committees and groups that work as a "team effort" to coordinate and share their time and generosity. You will notice key locations, primarily as you enter Hull and observe the Welcome Sign and see how lovely it looks on George Washington Boulevard. The Hull Garden Club is also involved in donating to worthy causes such as Wellspring, school scholarships and many other funds. We are proud of the 60 members who work toward keeping "Hull Beautiful" as its theme.
