Legal Notice

The Board of Health of the Town of Hull, Massachusetts, acting under the authority of General Laws, Chapter III, Section 31, has amended the regulations for Permitting and Operations of Commercial, Residential and Municipal Solid Waste Recycling Collection to become effective April 15, 2018.

The Permittee (refuse hauler) shall provide recycling services inclusive with solid waste collection to all residential and commercial customers. Recycling service should be no less than biweekly, shall be included with solid waste service to all residential and commercial customers, at bundled pricing.

All generators shall separate from their rubbish all recyclables for separate collection. The Permittee shall provide tonnage of refuse and recyclables or a reasonable estimation on a yearly basis to include location of disposal facilities and recycling facilities. Any Permittee that fails to follow these regulations shall be subject to fines imposed by the Board of Health.
