

## **SCHOOL DISTRICT GOALS AND OBJECTIVES**

### **MISSION**

The Hull Public Schools will facilitate the development of students into independent thinkers and lifelong learners who are continually increasing their achievements, self-esteem and self-confidence in order to become socially responsible individuals.

### **VISION**

We envision that the Hull Public Schools will:

- Promote a vibrant identity
- Become a model of rigorous and innovative instruction
- Build an expanded core of learning
- Exceed external expectations
- Expand needed resources
- Develop relationships critical to the mission

### **CORE VALUES**

- Equal access to educational opportunity for all
- Recognition and acceptance of individual student differences
- A safe and nurturing environment
- High expectations for quality instruction
- A supportive home and school relationship
- Diverse methods of instruction
- Positive and productive relationships among and between staff, students, parents and community members
- Awareness of fiscal responsibility
- Broad based communication between all school and community stakeholders
- Decision-making founded in the assessment and accountability of school programs and personnel
- Standards based accountability

### **GOALS**

The goals to which Hull School Committee members will hold themselves accountable so that progress toward the implementation of the district's mission, vision and core values may be assessed are as follows:

1. Support the implementation of high quality, research-based curriculum and instruction for all students.
2. Implement accountability systems for all phases of Hull Public Schools' operations.
3. Provide all students with access to up-to-date school buildings and up-to-date instructional resources that address a diverse range of academic, career and life options.
4. Increase public support and confidence in the Hull Public Schools.
