

## **TUTORING**

### Definition:

"Tutoring" means giving private instruction or help to an individual or group for which the teacher receives remuneration other than through the School Committee.

Tutoring is not to be recommended for a student unless the appropriate teacher of the student involved is consulted and agrees that it will be of real help. If tutoring seems advisable, the Principal may give the parents a list of persons who are willing to tutor. This list may include teachers, but not the student's teacher of the subject in which he or she is to be tutored.

When a tutor is compensated by a party other than the Hull Public Schools, tutoring may not be done in a school building.
