School Profile

- The more rigorous and comprehensive our curriculum is, the more competitive our students are in the college application pool
- College Board Information

"The aim of education should be to teach us rather how to think, than what to think – rather to improve our minds, so as to enable us to think for ourselves, than to load the memory with thoughts of other men."

Bill Beattie

So, where do we go from here?

“Education is more than a luxury; it is a responsibility that society owes to itself.”

Robin Cook
