

COMMUNITY RESOURCE PERSONS/ SPEAKERS

Human resources are those individuals or groups who are invited into the schools to present supplementary information and ideas to the classroom course of study. These experiences afford students the opportunity to benefit from community viewpoints. Care should be taken in selecting these speakers so that they are individuals who respect diversity in thinking and varying views and who are not attempting to inappropriately influence points of view. In an event that these individuals may be unsupervised with children a CORI and SORI check must be obtained.
