

# School Day Internships

**School Committee Presentation**

**April 24, 2017**

**James Quatromoni**

# School Day Internships

- **Students at Hull High School have the opportunity to be placed in an internship during regular school hours.**
  - ◆ **Internships are one to two periods.**
  - ◆ **Experience can be job shadowing and/or actual hands on work.**
  - ◆ **Tremendous career exploration opportunity.**
  - ◆ **Internships are a graduation requirement for students earning B diploma.**

# Setting up the Internship

- **Students initially meet with their guidance counselor.**
- **Available period is identified.**
- **Areas of interest are identified.**
- **Potential internships are explored.**

# Intern Work Week

- **Student interns work Monday through Friday.**
- **Assignments turned into Mr. Donohue:**
  - ◆ **Weekly Time Sheets**
  - ◆ **Written reflection on experience 2 times per term**
- **Mr. Donohue and/or Mr. Quatromoni have contact with internship partners as needed.**

# School Day Internships 2017

- **37 School Day Student Interns working this year.**

- **Placements have included:**

- |                        |                              |
|------------------------|------------------------------|
| ■ Athletic Department  | ■ Jacobs School Classrooms   |
| ■ Local Contractors    | ■ South Shore Collaborative  |
| ■ Web Site Development | ■ Guidance Department        |
| ■ US Coast Guard       | ■ Cohasset Community Medical |
| ■ Main Office          | ■ Local Auto Body Shop       |
| ■ Hull Fire Department | ■ Cafeteria                  |

# School Day Internships – Moving Forward

- **Area of focus this year has been developing stronger relationships with local contractors.**
  - ◆ **Excellent opportunity to be exposed to trades**
- **Identify opportunities that can lead to summer work after successful experience.**
