

CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES

The School Committee believes that student activities are a vital part of the total educational program and should be used as a means for developing wholesome attitudes and good human relations and knowledge and skills. Therefore, the Hull Public Schools will provide a broad and balanced program of activities geared to the various ages, interests, and needs of students.

The following will serve as guides in the organization of student activities:

1. The schools will observe a complimentary relationship to the home and community, planning activities with due regard for the widespread and rich facilities already available to students;
2. The assistance of parents in planning activity programs will be encouraged;
3. The goal for each student will be a balanced program of appropriate academic studies and activities to be determined by the school, the parents, and the student. This should be a shared responsibility;
4. Guidance will be offered to encourage participation of all students in appropriate activities and to prevent over-emphasis on cocurricular activities at the cost of academic performance; and
5. All activities will be supervised; all clubs and groups will have a faculty advisor.
