

## **SUPERVISION OF STUDENTS**

When students are in school, engaging in school-sponsored activities, or traveling to and from school on school buses, they are responsible to the school, and the school is responsible for them. School personnel assigned to their supervision serve in loco parentis.

The School Committee expects all students to be under assigned adult supervision when they are in school, on school grounds, traveling under school auspices, or engaging in school-sponsored activities. School personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents or other authorized persons.

The school administration will ensure that anyone who wishes to contact a student during the school day is doing so for proper reasons.
