## SANITARY SEWER OVERFLOW (SSO) PUBLIC NOTIFICATION HULL WASTEWATER TREATMENT FACILITY (WWTF)

in accordance with 314 CMR 16.00

**NOTICE:** The discharge or overflow described in this notification consists, or likely consists, of untreated or partially treated sewage and waste.

Avoid contact with these water bodies for 48 hours after the discharge or overflow ceases due to increased health risks from bacteria and other pollutants. See <https://www.town.hull.ma.us/> for more information on whether specific resource areas, such as bathing beaches, are affected.

For additional information on discharges and overflows, and the Hull WWTF's SSO Abatement Program, please visit <https://www.town.hull.ma.us/sewer-department/pages/sanitary-sewer-overflow-public-notifications>. You can subscribe to receive E-Alerts at the top of the page.
