RE: August 2009 Monthly Operating Report

Dear Mr. Petrilak:

Attached is the AOS / United Water, August 2009, Monthly Operating Report illustrating operations and maintenance activities at the Hull WPCF wastewater treatment facilities and the collection system. This report demonstrates activities performed during the period August 1 to August 31, 2009.

August's overall performance was excellent. There was one exceedence of the NPDES Permit. The WET test was incomplete due to poor health of the test organisms.

We welcome any comments or suggestions for improving this report

Very truly yours,

Pete Nyberg
Plant Manager
