RE: December 2012 Monthly Operating Report

Dear Mr. Dow:

Attached is the AOS / United Water, December 2012, Monthly Operating Report illustrating operations and maintenance activities at the Hull WPCF wastewater treatment facilities and the collection system. This report demonstrates activities performed during the period December 1 to December 31, 2012

Decembers' overall performance was excellent. There were no exceedences of the NPDES Permit.

We welcome any comments or suggestions for improving this report

Very truly yours,

Pete Nyberg  
Plant Manager  
United Water / AOS
