RE: October 2011 Monthly Operating Report

Dear Mr. Petrilak:

Attached is the AOS / United Water, October 2011, Monthly Operating Report illustrating operations and maintenance activities at the Hull WPCF wastewater treatment facilities and the collection system. This report demonstrates activities performed during the period October 1 to October 31, 2011

Octobers' overall performance was excellent. There were no exceedences of the NPDES Permit.

We welcome any comments or suggestions for improving this report

Very truly yours,

Pete Nyberg  
Plant Manager  
United Water / AOS
