IMPORTANT NOTICE REGARDING MEETINGS AND HEARINGS

As you may know, due to Covid-19, the Town of Hull will be holding remote meetings and hearings for the foreseeable future. The Town has also designated the Town's website as the official method for posting notices of meetings and hearings and postings will no longer be done via the notebook at the Police Station or the Town Hall bulletin board until further notice.

Meetings and hearings will be held remotely by telephone as an alternate means of public access pursuant to an Order issued by the Governor of Massachusetts dated March 12, 2020 Suspending Certain Provisions of the Open Meeting Law. You are hereby advised that these meetings/hearings and all telephone communications during this meeting/hearing may be recorded by the Town of Hull in accordance with the Open Meeting Law.

If you wish to participate in a meeting or hearing, you should go to the Town website at <https://www.town.hull.ma.us/>, click on the Town Calendar and go to the date and event you are interested in. Information will be listed there on how to access that specific meeting, such as what number you need to dial to call in using a phone or how you can access a meeting using your computer. If you are using a computer, please note that you will not be able to speak if you do not have a microphone.

If you are unable to join a virtual meeting, you may in some instances be able to submit written comments regarding agenda items to the Board or Committee via contact information found on the Board or Committee's webpage on the Town website.

We thank you for your understanding during these unprecedented times. Please Stay safe and Stay Healthy.
