

General Tips for Parking in Hull

- 1.) **Municipal sticker required** - Many parking spots and parking lots in town are restricted parking for Hull residents only. When you see a white sign with green lettering stating “Municipal Sticker required”, this means that parking at that location is restricted to Hull residents who have purchased a Municipal or Restricted parking sticker from the Town.
- 2.) **Ferry parking main lot** - Parking in the main parking lot at the ferry is restricted to Hull residents who possess a Municipal parking sticker issued by the Town. (see above) There is unrestricted parking for the ferry located at the end of Helen street behind the high school. Parking is also allowed at the High School when school is not in session.
- 3.) **Ferry parking Peddocks Island resident** – There are multiple spots in the main parking lot at the ferry that are reserved for residents of Peddocks Island only. **In order to park in these spots, you must be a resident of Peddocks Island. You must also possess a Peddocks Island resident parking sticker issued by the Town.** If you park in these spots and you do not possess a Peddocks Island resident parking sticker issued by the Town, then you will be ticketed. **Possessing a standard municipal or restricted parking sticker does not allow you to park in these spots, even if they are the only available spots in the lot.**
- 4.) **Restricted street parking** - Parking on many streets in Hull is restricted to residents of that particular street and their guests. These streets are identified by white parking signs with red writing that states “Restricted parking area, permit required, resident/guest of property only, strictly enforced”. Anyone who is

parked on these streets who does not have a restricted parking sticker affixed to their window or a visitors pass placed on their dashboard (given to them by the homeowner) will receive a \$50 ticket for parking in a restricted area. **Restricted stickers and visitor passes issued by the Town for these streets are valid only at the EXACT ADDRESS for which they were assigned.**
