

SEWER DEPARTMENT
March 16, 2020

The Sewer Department Office will be closed starting on Tuesday, March 17 until May 4th.

The Sewer staff will continue to perform their duties and be present to assist you via telephone or e-mail during normal business hours.

This is being done to promote the concept of “social distancing;” reducing the number of in-person interactions that each of us has with each other which will reduce the chances of spreading and transmitting the COVID-19 virus.

If you need assistance please call the office at 781-925-1207 or email at sewer@town.hull.ma.us

Thank you for your patience as we all work together to confront this serious public health threat.
