Board of Selectmen Agenda Policy

In order for an item to be placed on the Board of Selectmen's Agenda the requesting party must submit a written request ten days in advance of a meeting. The written request must include a detailed description of the item to be discussed and any documents that may be presented at the meeting. Per the Commonwealth of Massachusetts Open Meeting Law the list of topics on an agenda must be sufficiently specific to reasonably inform the public of the issues to be discussed at the meeting.

The Chair of the Board will review the submission and determine if the request can be addressed administratively by staff or will be placed on a future agenda. Any request that requires Board action should be submitted with ample time for the action to be reviewed by staff as well.

The Board reserves the right to not place an item on their agenda.
