Permit & Miscellaneous Fee Schedules

General Conditions

1. All fees will be doubled for permits not obtained within the prescribed time, pursuant the appropriate Code for all trades.
2. All permit fees will be rounded to the nearest dollar.
3. A \$30 fee will be charged for each reinspection as a result of non-compliant work.
4. Estimated value of work for building permits will be based on the following:

-All residential and non-residential primary structures—Based on the most recent BOCA square foot construction costs (Building Officials & Code Administrators, International)

-Residential garages and breezeways-----\$25 per sq. ft.

-Residential garages under house-----\$15 per sq. ft.

-Residential porches and deck -----\$15 per sq. ft.

-All others will be calculated by the Building Commissioner

5. Building permit fees will be based on \$1000 value increments, with fractions rounded up.
6. Building permit fees for unusual or special conditions or occupancies not itemized herein, shall be Determined by the Building Commissioner.
7. Buildable Lot Inquiry form requests -----\$25 each
8. Multi-family Inquiry form requests-----\$25 each
9. Zoning determination requests-----\$25 per hour-----\$ 5 min
10. Copies, per page-----\$.25 each
11. Fees may be waived in whole or in part by the Building Commissioner.
12. Permit fees are non-refundable.
13. Certificate of Inspections are determined by the Building Code.
