

ATLANTIC AVENUE PROJECT UPDATE

Monday July 10, 2023

Previous Two Weeks Summary

In the previous two weeks, the Contractor has been working to install granite curbing and grade the new sidewalk along Atlantic Avenue.

Two Week Look Ahead

The Contractor will be working throughout Atlantic Avenue over the next few weeks with several different construction operations. This includes:

- Granite curb installation throughout Atlantic Avenue.
- Placing new gravel and grading sidewalks between Gunrock Avenue and Driftway.
- Adjusting sewer manholes and water service boxes to finished grade.

Any driveways that have decorative surfaces (cobblestones, pavers, sea-shells, etc.) that are impacted by the roadway work will be temporarily stored until the Contractor is ready to re-install them.

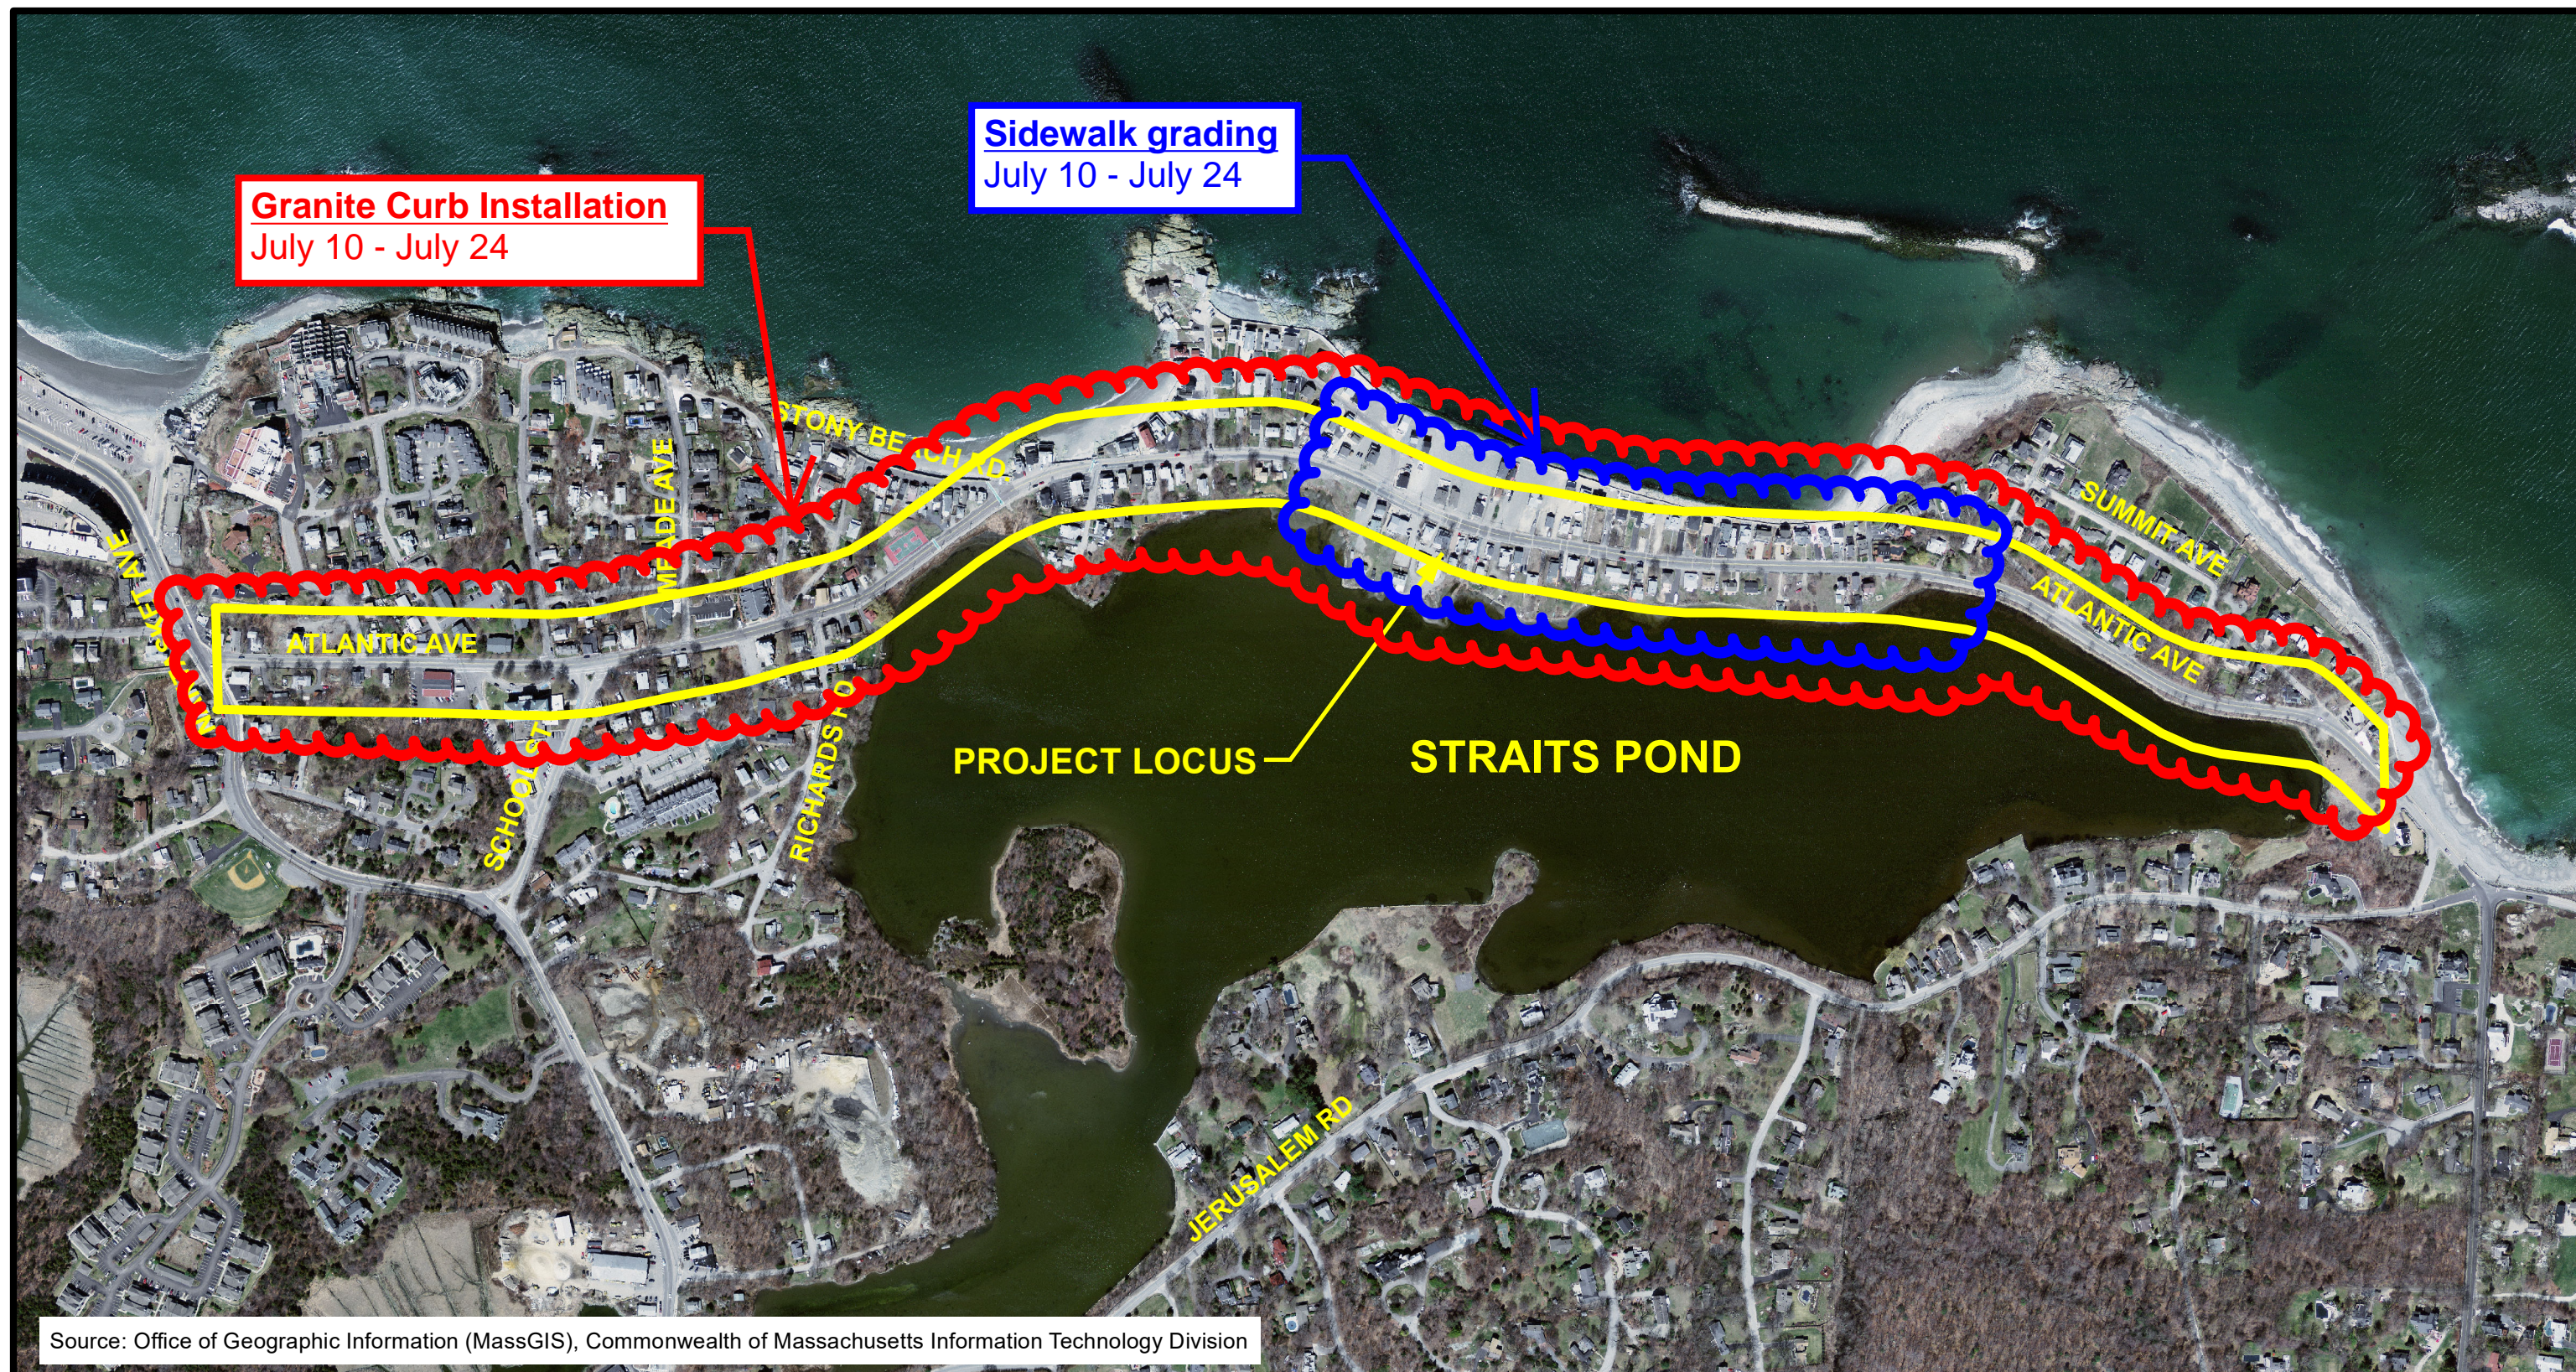

Traffic Impacts

Expect through vehicle traffic to be detoured between School Street and Jerusalem Road during the daytime for the foreseeable future with one lane of traffic open for local traffic. Pedestrians, bicycles, school buses, and emergency vehicles will continue to be able to travel through the construction area. Access to residences, businesses and the Town Hall will also be maintained. At least one travel lane will be maintained at all times with police directing traffic as needed.

Please exercise caution traveling through Atlantic Avenue and seek alternate routes when possible. The construction may cause noise disruption during the work hours of 7:00 AM to 3:30 PM.

Questions/Concerns?

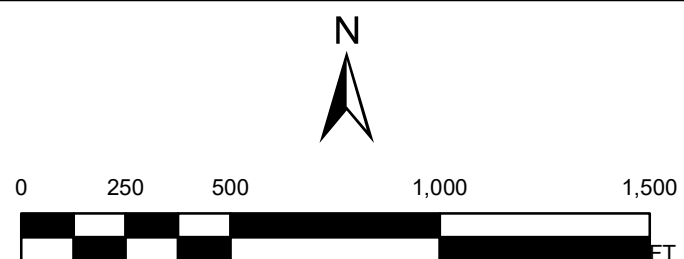

Please reach out to Joe Stigliani at jstigliani@town.hull.ma.us or the Department of Public Works at (781) 925-0900. Please keep in mind that while these updates are intended to provide as accurate and up-to-date information as possible, construction activity can change on a day-to-day basis.
