Re: 46 Summit Ave

Dear Mr. & Ms. Devin;

I am writing this letter to clarify the zoning requirements regarding a decorative cupola on a single family structure.

Town of Hull Zoning By-Laws, Article V, Section 50, Tables, Maximum Height of Buildings, is 35 feet high

Footnote (f) Appurtenances to buildings, such as chimneys, ventilators, towers spires, equipment, stairwell and /or elevator penthouses, and ornamental features may extend up to 10' linear feet above the height of the building. Such appurtenances shall not be used for occupancy except for repairs and maintenance.

Any questions regarding this matter may be directed to this department.

Very Truly Yours,

Bartley Kelly,
Building Commissioner
